Welcome to Business Organizations! I just wanted to post a personal note to students in my Business Organizations class. Unfortunately, there was an error in shipment the bookstore received for my class. Our primary casebook will be Hamilton, Macey, and Moll, Cases and Materials on Corporations Including Partnerships and Limited Liability Companies (West 11th Edition) ISBN# 978-0-314-20516-2. Understanding that many of you will not have your books during the first week of classes, I've placed copies the reading assignments that I'd assign to you during the first two (2) weeks of class behind the Reference Desk in the Library. As soon as practicable, please retrieve a reading packet as soon as you can. **Monday's class will largely be introductory; I'd like for you to skim pages 1-14 for discussion in class the first day. I will hand out syllabi in class on Monday.**

For Wednesday's class, August 13th, I'd like you to read pages 15-38 for discussion in class. You will receive further instructions on assignments and expectations for the semester in class on Monday. I'm looking forward to a productive and enriching semester. I look forward to seeing you on Monday!
