Upper-Level Writing Requirement Certification Form

Professor: _____

Date: _____

Term: _____

Student Name: _____

ID#: _____

Has completed a paper entitled _____

[] in my two-credit seminar titled: _____

or

[] in a two-credit independent research project under my supervision.

I have reviewed the provisions for satisfying the Upper-Level Writing Requirement, which provide:

As a requirement for graduation, students must write a significant analytical paper reflecting substantial legal research, original thought, proper writing style, and correct citation form. A student may attempt to fulfill this requirement by completing a paper in a seminar or an independent research project. **The writing requirement is not automatically satisfied by successfully completing the requirements of the seminar or independent research project for which the paper was written.** The supervising faculty member will complete this certification form to certify whether or not the paper satisfies the standards of the Upper-Level Writing Requirement. The faculty member will then submit the completed certification form to the Associate Dean for Academic Affairs.
