Assignment Detail	<p>For some life is tranquil, unimportant, with no memory of what's happened in the past. Hard work and commerce (barter, simple contracts, cash, notes, and unsecured credit) hold people together. Folks take life as it is (hard, risky, casual, and challenging). Education is catch as catch can. Planting and harvesting crops command all the value. The Secured transactions course updates this world long past. Cases, problems and statues will be used to tackle jurisdiction, formation, floating liens, proceeds, priorities, and remedy issues. We meet on Tuesday and Thursday.</p> <p>Here are four assignments: Session I (text) pages 3-20; Session II (text) pages 20-23; Session III (text) 33-53; session IV (text) 53-73.</p>
