

REGISTRATION INFORMATION FOR LAW STUDENT USING STATE EMPLOYEE TUITION WAIVER

State Employees Utilizing Tuition Fee Waivers

State Employees who are granted fee waivers are welcome to Florida A&M University to register for six (6) credit hours on a “space available basis only.” (FS 1009.265)

Students employed by the State of Florida and eligible to use the State Employee Tuition Waiver form may submit their completed and approved State Employee Tuition Waiver Form to law.registrar@famuedu after enrolling in the semester. The State Employee Tuition Waiver Program covers in-state tuition up to six (6) credit hours.

Courses being paid by the Employee State Tuition Waiver can only be registered during the designated registration period for State Employees, which is usually the add/drop week. However, the specific dates are listed on the College of Law Academic Calendar. Attempts to register at any other time will impact the opportunity to use the waiver for the semester, and you will be responsible for paying the tuition and fees through other payment options (i.e., financial aid or self-payment).

State Employees may only register for courses approved by their immediate supervisor, agency head, and the University.

As a State Employee using the state tuition fee waiver, I confirm the following:

1. To utilize the State Employee Tuition Waiver, I must be a full-time State of Florida agency (Non-Sus) employee to participate in the State Employee Tuition program
2. The waiver of tuition fees will apply for up to six (6) credit hours per semester. All tuition and fees over six (6) credits are the student’s responsibility to make payment on or before the fee payment deadline or be subject to late payment fees.
3. State Employee Tuition Waivers apply to tuition only.
4. State Employee Tuition Waivers may not be used for online degree programs (MBA, Nursing, and Public Health), thesis, dissertations, applied music courses, internships, courses requiring directed individual instruction, or offered in Architecture, Journalism, Nursing, and Pharmacy.
5. Enrollment under the State Employee Tuition Waiver program shall only be authorized on a “Space Available” basis. “Space Available” refers to the enrollment capacity within a scheduled course.
6. I must register only during the date and time prescribed for State Employees as published on the College of Law Academic Calendar. Otherwise, I will be responsible for the tuition and fees through other payment options (i.e., financial aid or self-payment).
7. Use of the registration system to reserve space in a class ahead of the scheduled State Employee registration time will invalidate the tuition fee waiver (**i.e., registering for a course and then dropping to add the course again**).
8. If I register for course(s) before the established State Employee registration date and later conduct a drop/add transaction for the same course(s), this will invalidate the tuition fee waiver, and I will be responsible for the tuition and fees for the course(s).
9. I am responsible for the terms and conditions of utilizing the State Employee Tuition Waiver set forth by my employer (i.e., providing grades).
10. Tuition waiver verification must be assessed and completed each term. The student will be responsible for tuition and fees if verification is not confirmed. State Tuition Waiver is applicable for the current term and is not for retroactive use.
