

# 2021 Housing and Resident Living Law Student Recommendations

The Student Bar Association in its mission to be a resource for students, identified a need for student housing information presented with the student perspective. In collaboration with the Office of Student Affairs and the Office of Communications, we have compiled a housing list, complete with recommendations from current students.

In this listing you will find insight to commute times, conducive study environments, local attractions, and affordability. We hope you find this guide helpful in making a housing decision that fits your needs as a FAMU COL student. If you have additional questions regarding student recommendations reach out to [law.sba@famu.edu](mailto:law.sba@famu.edu) for more information.
