## Members of the Entering Class:

Greetings from the FAMU College of Law Security Department! Our mission is to ensure and sustain a safe environment to work and study by maintaining a staff of trained and motivated professionals who are committed to the principles of service, prevention, and compassion. The security department works successfully to provide our students, faculty, staff, and the surrounding community with the highest level of safety possible.

Campus Security provides a full range of services, including campus safety, parking, shuttle service, motor assists and safety information. If you have any questions or concerns, I encourage you to approach any of the security officers that you see patrolling the law school on foot, in golf carts, or in marked campus vehicles. They will be happy to talk with you, and will either provide you the information you need, or will direct you to the appropriate person to help resolve your issue. My door, of course, is also open for any questions, concerns or complaints. I can be reached at 407-254-3275 or [shashi.persaud@famuedu](mailto:shashi.persaud@famuedu)

Parking information will be provided to you as a separate packet in your orientation

Sincerely,

Shashi Persaud, Director of Administrative Services
