

Spring 2021

**Updated Guidance and Resource Reminders
for the College of Law Orlando Campus**

Preparations for spring semester continue, including plans to expand our physical presence in the building. As the University continues its focused approach, preparing members of our campus communities and facilities, with safety as our top priority, the College of Law is working to ensure a safe return for its students, staff, and faculty. The sections below should be reviewed in addition to the University's Spring Restart Guidance memo. The intent of this document is to provide the College of Law community with information specific to us here in Orlando.

RETURN KITS: Return kits will be available for distribution to everyone returning to campus for the first time in Spring 2021:

1. Distribution will begin on Tuesday, January 19, 2021
 - a. Return kits will be provided to all employees and students upon entry to the building
 - b. ONLY one kit will be available per person
 - c. No one will be permitted to pick up a return kit for any other person
2. Employees will also receive department safety kits
 - a. One safety kit per department
 - b. Each department should identify a representative to pick up safety kits from Oliver Dobai

Staff Return Kits

Student Return Kits

SCREENING, TESTING and RESPONSE: Faculty, staff, and students returning to campus in spring 2021 must adhere to the following expectations:

1. **SCREENING USING THE FAMU MOBILE APP**
 - a. Download the FAMU Mobile App. It is available for both Android and Apple devices.
 - b. Utilize the COVID-19 screening tool **daily** before coming to campus.
2. **TEST BEFORE RETURN**
 - a. Get tested for COVID-19 WITHIN FIVE (5) DAYS of your return to campus.
 - b. The College of Law will provide on-site testing Sunday, January 17th through Monday, January 18th and biweekly beginning February 1st and ending March 29th.
 - c. Members of the law school community may use a testing site near them or the College of Law on-site vendor. A list of community testing sites is available here: <https://floridahealthcovid19.gov/testing-sites/>
 - d. Regardless of location, proof of testing must be sent to studenthealthcenter@famuedu.
 - e. Results must be received prior to your return to campus.
3. **CONTINUED TESTING**
 - a. Faculty, staff, and students returning to campus will be expected to test biweekly. The law school biweekly testing dates will be available shortly and published on the College's website.

ENTRY AND CONDUCT IN THE BUILDING: Faculty, staff, and students returning to campus must:

1. **CARRY FAMU ID** All faculty, staff, and students must have a FAMU ID to enter the building.
2. **FACE COVERINGS** All employees and students are required to wear face coverings while on campus. This includes classrooms, in building public spaces, within department and individual offices when interacting with others, and outdoors when you are unable to maintain six feet social distancing space.
3. **SOCIAL DISTANCING** All employees and students should practice social distancing. Please stay at least 6 feet away from other individuals. Social distancing should also be practiced in all meetings by keeping attendance to 10 individuals or less. Zoom Meetings should be the norm while physical meetings should be the rare exception.

WHAT TO DO IF YOU HAVE SYMPTOMS OF AND / OR TEST POSITIVE FOR

COVID-19: The symptoms of Covid-19 are extensive and include fever > 100° F, cough, sore throat, shortness of breath or difficulty breathing, muscle or body aches, new loss of sense of smell or taste, nasal congestion or runny nose (different from pre-existing allergies), diarrhea, nausea or vomiting, and fatigue. If you experience any of these symptoms:

1. **STAY HOME** Anyone experiencing any of the referenced symptoms should stay home. You may work or learn from home, if you are well enough to do so. Employees, please notify your supervisor. Students, please notify your professors.
2. **GET TESTED** If you are experiencing these symptoms, you should get tested immediately.
3. **RETURNING TO THE BUILDING AFTER TESTING**
 - a. If you test negative, you may return to the building when your illness resolves and once you have not had a fever in the last 24 hours without use of fever reducing medications.
 - b. If you test positive, you must quarantine away from the building for no less than 10 days since the date of positive test result or onset of symptoms. In addition, the following criteria must be met:
 - (i) At least 1 day (24 hours) has passed since last fever without the use of fever-reducing medications (e.g. acetaminophen, ibuprofen, aspirin);
AND
 - (ii) Symptoms have completely resolved; AND
 - (iii) You have clearance from the health department, your healthcare provider or Student Health Services to return
