Welcome Back to the Hill!
Fall 2021 Quick Guide

1. Get Ready
Visit the University's website and check your email regularly for updates guiding your Fall 2021 return.

2. Get Vaccinated
Vaccination is STRONGLY encouraged. The College of Law will have on-site vaccination available on 8/13 and 9/10. For other community vaccine sites, visit https://floridahealthcovid19.gov/vaccines/vaccine-locator/. Remember to keep your vaccination card!

3. Return Kits
Return kits for faculty, staff, and students are available. Please contact Associate Dean Reginald Green (reginald.green@famu.edu) to arrange pick up.

4. Screen Yourself
Self-screen daily using the COVID-19 Self-Checker on the FAMU mobile app and temperature kiosks around campus. Free COVID-19 testing is available on-site at the College of Law bi-weekly. Watch for email from FAMU Law for dates. In addition, you can find testing sites by visiting https://floridahealthcovid19.gov/testing-sites/. Stay home if you are sick!

5. Wear a Face Covering
Faculty, staff, students, and visitors are expected to wear a face covering that covers the nose and mouth when in classrooms, buildings and in public spaces. This includes the lounge areas and the libraries. Face coverings are available upon request.

6. Classes and Events
Class capacities will return to normal and events will resume with the evolving situation and safety in mind.

7. Remember Your Hygiene
Wash hands frequently. Use soap and warm water and wash for at least 20 seconds. If water is unavailable, use hand sanitizer with at least 60% alcohol.

8. Exposed to COVID-19?
Timely reporting is critical. If you have been exposed or tested positive for COVID-19, immediately report that information to Student Health Services. Timely reporting saves lives.
