Assignment(s) for the First Week of Classes

Sign up for the TWEN site. Read the Burke & Friel casebook, Chapter 2, and do the problems. We'll discuss Problem 2 (briefly) before Problem 1. Also read Chapter 12, but only pp. 263-64 (first two paragraphs of "Reasonable" salaries). I'm posting four other short documents that you should read before our first class: (1) Federal Income Taxation Introductory Reading; (2) Chapter 2 Code and Regulations (includes all material you need for Chapter 2; substitutes Treas. Reg. 1.61-6 for 1.61-8 and omits Code sections 31, 85, and 86, which you don't need to read); (3) Overview slides; and (4) Chapter 2 slides. All four are on the Chapter 2 Course Materials section of TWEN.
